

January 10, 2018
PTO Meeting
Colfax Media Center

Julie Wilson, PTO President, called the meeting to order at 6:45 pm. She welcomed those in attendance and thanked us for coming.

The December Communicator came out and was enjoyed by all who looked through it. New submission photo and articles can be given to Jeanine Weiss in the next couple of days.

Dory Levine, VP special events, reported that on January 29, 2018 our annual ice skating party at Schenley Ice Rink will take place. The time will be from 7:00-9:00 pm. The rink is having Colfax sell the tokens for skates this year. They do not want to be responsible for collecting the money. We will need volunteers for this as well as selling concessions.

Our annual Party 4 Play event has been rescheduled for February 24, 2018 at the Edgewood Club. Chelsea Wagner is the coordinator and will be looking for many volunteers to make this night a success. Collecting donations for the silent auction is probably the most pressing issue as of now. Planning dates for those who can attend are Jan. 11 at 8 pm and Jan. 13 at 10:00 am both meetings are at Eat n Park on Murray Ave.

Abbie Campsie, VP fundraising, reported that the Ask Drive is still underway. Money will be collected for the next couple weeks. Our goal was \$21,000 and we've currently raised \$15,000. She will be starting the calling out on the phone to people who donated in the past but haven't so far this year.

Volunteers are needed for the Cobra Store. The dates in January are the 19th and 26th. If you have time between 10:30-12:45 it would be very appreciated.

Middle Level Report:

1. Ski Club will be starting. There are a couple spots left. Email Abbie Campsie if you're interested.
