

January 8, 2019
Colfax PTO Executive meeting

*Ask Drive to date has brought \$27,000. This is a tremendous fundraiser for our school. Well done to Ross Ingram who was organizing this!

1. Donations above \$250.00 are given a tax-deductible receipt
2. The fundraiser at Contemporary Concepts raised \$354.00

*Ms. Edwards the K-4 music teacher has agreed to organize and lead the Spring Musical this year. She will have the ability to meet with students during the day for enrichment, which will help students learning parts in addition to after school rehearsals.

*Ice Skating will happen at Schenley Oval on February 25, Monday.

*Ski Club is having a successful year with 75 students participating. They will ski on January 4, 11, and Feb. 8

*February 22 the Middle Level is holding a Snowball Formal Dance.

*The PTO gave all teachers without homerooms in addition to staff in the office, and custodians were given gift cards. This was in a small way to say thanks for all you do. An all school staff luncheon was held and more than enough delicious dishes were brought in for the staff to enjoy.

*Dr. Woods shared with us the exciting news that Colfax received the Star Status Award. An assembly was held and cupcakes were provided for all in attendance. Congratulations teachers, administration, and students for this amazing accomplishment.

*Party for Play is in March and will be held at the Garden Center at Mellon Park this year. Look for details with how you can help in the near future.
