- Reasoning behind each line item was discussed.
- Some alterations were made to line items from the current budget year, especially on the fund raising side (changing KidStuff books to some other coupon book, reconsidering bake sales, etc.).
  - Lisa Chotiner discussed new ideas she has for fund raising including:  
Kids Consignment Sale; Spring Talent Show; Tile Art.
  - Lisa Chotiner will serve as Fund Raising VP without a co-chair.
- EB approved edited budget for presentation at the PTO meeting.

**Student Directory**

Sukanya Srinivasan and Paul Foster have been discussing ways to get the Student Directory published earlier in the school year. They thought of efforts to try to get the information sooner. There was a thought to send sheets home at the end of the school year and ask people to return them over the summer. Sukanya will ask Mr. May-Stein if a request for directory information can be sent home with the letter assigning the student's home room.

*The next EB meeting will be held over the summer.*
