

Attendees

Dave Lebel, Lisa Zur, Ashley Ingram, Joe Moore, Ross Ingram, Robin Taylor, Ross McGowan

Detailed Notes

- Update on board positions
 - Webmaster filled: Iaroslavna (Iana) Vasylieva
 - Special Events still TBD
 - For now we'll assign a board member or volunteer to lead each event
- Kindergarten & New Family Playdate – success!
 - 50-70 people attended
- Back-to-school expenses (discretionary fund)
 - PTO approved funds to enhance the experience for first week back at school
- Student safety
 - Lunchroom
 - The district installed a HEPA air filter in lunchroom/cafeteria
 - Reviewed potential outdoor locations for additional seating
 - Goal is to move 25-30 students outside
 - Considered cost of tables, chairs, canopies, and potentially heaters for colder months that would be needed
 - Decided to ask parents to donate chairs, tables, and canopies.
 - Classrooms
 - Approximately 60 classrooms will need air filters
 - Discussed how to coordinate needs and donations for all classes
 - First step: Go through homerooms
 - Get volunteers + check whether homerooms already have one
 - Recommend 2-3 different models to ensure filters are equitable across all classrooms and donation amounts are not considered gifts
 - \$400 or less
 - Ensure square footage coverage will work
- Colfax fiesta
 - Most likely date is 9/29
 - Working to line up food trucks, have two likely ones right now

Action Items

- Create SignUp Genius to solicit donations of 6 tables, 30 chairs, and 2 tents
- Ask for homeroom volunteers in next newsletter
- Get clarity on start and dismissal times
- Confirm with Dr. Woods how she wants to handle table setup and filter dropoff process
