Detailed Notes

- Recap of Ask Drive
 - ~\$27,000 raised, plus still waiting for a few potential matches to come in
 - More people donated in 2021 than 2020
- Priorities for remainder of year
 - Student Safety
 - Future events
 - Discussed reserve funds and whether additional fundraiser events are necessary. General sentiment was that we do not need an additional fundraiser. Nor do inside in-person events (e.g., Party4Play) seem feasible. The focus of the PTO will be to help the school where needed during the pandemic.
 - Potential Outdoor movie night in May
 - Ways to support school and staff for the rest of the year
 - Copy paper (part of a wider district issue)
 - Water bottles (preferably refillable bottles)
 - Bleach wipes
 - We will ask homeroom reps to check in with their teacher about which supplies are needed
 - Could give teachers gift cards and allow them to decide how to spend
- Colfax Communicator
 - Ideas for next edition (February)
 - Thanking the donors from the Ask Drive
 - Final summary of air purifier donations for classrooms
 - Highlighting sports and activities
- Community engagement
 - Volunteer needs for remainder of year
 - Social Emotional Learning help as it relates to online bullying
 - Ideas to increase participation?
 - Ask community to highlight/nominate staff members who have made strong contributions this year

Action Items

- Create form template for seeking feedback from community to recognize staff members
