The latest treasury report was reviewed and will be posted on the PTO website.

### **Old Business**

The ASK drive was summarized. Our goal was exceeded – over \$23,000 was raised! Thank you to everyone who coordinated and contributed.

### **Upcoming Activities**

The Colfax Communicator is being prepared – any suggestions please contact Ross or Jeanine.

### **New Business**

Science in a Bag: Ms. Davis (Mid-level Science) presented on an upcoming teacher grant request for chemistry kits/science in a bag that would be available for pickup at Colfax so that all students during remote learning would have materials for hands-on science at home. More details will be submitted to the PTO via a teacher grant request.

PBIS Rewards Store: Ms. Zyhier Williams summarized the initial successes of the PBIS Rewards program that the PTO funded regarding the software. The school has stocked the rewards store with both intangibles and tangibles such as art supplies, school supplies, and books. Students have been queried as to rewards they'd like to see. Ms. Zyhier Williams submitted an initial request for PTO funding to Ross and this will be further addressed by the Board/Ross.

Remaining Party 4 Play class basket/casino items: Cindy Chepanoske, who co-chaired last year's Party 4 Play fundraiser, noted that we still have the class baskets and a couple other auction items from last year. One idea is to have an on-line raffle for the items. Anyone interested in helping should contact Cindy.

Amazing Books and Records fundraiser: Lisa identified this potential fundraising item and this will be further discussed by the Board since time was limited at the meeting.

The meeting was adjourned at 5:30 pm.
